

Meeting at DE's chamber between IQAC and HODs to decide on the building plan, and IQAC activities

Resolutions →

As discussed in the TC, there were issues regarding the location of toilet in the library. However, it has become a problem in the building design, and hence a toilet would be there inside the library.

Dept. must have an email so that they can get connected with IQAC through emails. For which it is discussed that internet connection should be installed as soon as possible.

Website must have teacher's profile, for which DE will contact the website committee.

Feedback form needs to be prepared for guardian's meeting. and installation of feedback procedure for the students each year. IQAC will provide the form, which can be modified. Only the students who have attended at least 60% of the total classes.

Department profile needs to be prepared.

Whatever happens in the college needs to be documented.

E-journal subscriptions: needs to be focused.

Best practices - related to environmental issues. We can think of.

Bulletin.

Rainwater harvesting.

Solar ~~board~~ panel.

Value orientation programmes, one lecture per semester. Students who ~~board~~ will complete the entire course will be given a certificate.

Some ~~interest~~ interdepartmental exchange programme, like students will be given orientation about other departments.

Wall magazines would be made by each of the departments.
