Moments from the programme

Seminar on ‘NAAC- Challenges and Possibilities’

Date: 08.01.2024

Time: 2.00 pm

Objective

The objective of this seminar was to frame a guideline for representation of data in the forthcoming NAAC. The meeting served as a platform to discuss the initiatives to be taken up for improving existing academic programs.

Program

The Internal Quality Assurance Cell organized a seminar on ‘NAAC- Challenges and Possibilities’ on 08.01.2024 at 2 pm. The event took place at IQAC room of our college.

The officer-in-charge, Mrs Mousumi Chakravorty, delivered the welcome address and encouraged all the stake holders to work together for the forthcoming NAAC accreditation process. Dr. Picku Dasgupta, Assistant Professor and IQAC Co-ordinator, Shahid Matangini Hazra College spoke on this occasion. Her expertise and perspectives in the preparation of the documents related to NAAC was immensely helpful. She insisted that the data from various sources like students’ feedback, accreditation reports, placement records, and alumni surveys must be taken. Though there are certain constraints like student strength and resources for this college, still she inspired us to do the work and advised us to prepare the data as per the format given on the NAAC website.

The seminar was attended by the teachers and the staff members.
