It is hereby resolved that, the NAAC committee will prepare a list of activities being done by different department/collaborators in the last five years.

The committee will further subdivide different tasks to different people of the college.

In the matters arising part, the department of Botany has proposed a workshop in collaboration under SERB.

The department of anthropology has proposed a one-day national seminar in February.

In the discussion part different proposals have come up related to the preparation for the NAAC.

The co-ordinator, NAAC has proposed the

Observation of different days as per national and internal standard calendar.

The proposals of different names for different books were voluntarily proposed and discussed among the members, their willingness to volunteer for work was also ascertained.
