

Bon-Mohotsav 2022 and Inauguration of Medicinal Plant Garden

Date: 25.07.2022

Location: Dr. A.P.J. Abdul Kalam Government College Campus

Organized by: Department of Botany, Dr. A.P.J. Abdul Kalam Government College

Objective: To promote environmental sustainability, biodiversity conservation, and community engagement through an annual tree plantation drive and the inauguration of a departmental medicinal plant garden.

Highlights:

- Inauguration of the Departmental Medicinal Plant Garden funded by Ambuja Neotia CSR Fund
- Plantation of over trees in the campus and medicinal plants in the newly inaugurated garden
- Participation of all stakeholders, including the Principal, IQAC Coordinator, HOD Botany, teachers, students, and non-teaching staffs
- Students from various departments actively participated in the tree plantation drive
- The medicinal plant garden was inaugurated by the Principal, in the presence of the IQAC Coordinator and HOD Botany as well as representatives from Ambuja Neotia

Outcome:

- Enhanced campus beauty and ecological value
- Raised environmental awareness and education among students and staffs
- Fostered community engagement and a sense of responsibility towards environmental initiatives
- Established a unique resource for medicinal plant education and research

Conclusion:

Bon-Mohotsav 2022 was a resounding success, showcasing the college's commitment to environmental sustainability, community engagement, and academic excellence. The departmental medicinal plant garden, funded by Ambuja Neotia CSR Fund, provides a valuable resource for students and faculty, promoting education and research in medicinal botany. The event demonstrated the power of collaboration and community involvement in achieving a sustainable future.

Inauguration of Medicinal Plant Garden
