Bon-Mohotsav 2023

The Department of Botany, Dr. A. P. J. Abdul Kalam Government College organized its annual event, Bon-Mohotsav 2023, on 24th July 2023. The event focused on the importance of tree plantation and environmental conservation and witnessed enthusiastic participation from the principal, teachers, non-teaching staff, and students from all departments.

The highlight of Bon-Mohotsav 2023 was the tree plantation drive, where saplings were planted within the college premises. The participants gathered at the designated area, eager to contribute to the green initiative. The principal, Dr. Debasish Banerjee, inaugurated the drive by planting the first sapling, followed by the teachers, staff, and students.

The event saw active participation from all quarters, with students from various departments joining hands with the Department of Botany. The non-teaching staff also played a vital role in making the event a success. The collective effort demonstrated the institution's commitment to environmental sustainability.

Throughout the event, the Department of Botany organized awareness sessions and educational activities, emphasizing the significance of trees in maintaining ecological balance. Students and staff were encouraged to adopt environmentally friendly practices and take responsibility for nurturing the planted saplings.

Bon-Mohotsav 2023 was a resounding success, with the institution coming together to promote environmental consciousness. The event served as a reminder of our collective responsibility towards preserving nature's beauty and resources.

Recommendations

- Continue the tree plantation drive annually, increasing the number of saplings planted each year.
- Establish a green club or committee to oversee the maintenance and care of the planted saplings.
- Organize regular awareness sessions and workshops on environmental conservation and sustainability.

By embracing such initiatives, Dr. A P. J. Abdul Kalam Government college can emerge as a beacon of environmental stewardship, inspiring others to follow suit.
