

JANAKI AMMAL LECTURE SERIES 2024

MECHANISM OF SIGNAL TRANSDUCTION

BY
DR. DEBAPRIYA RAJLAKSHMI DAS
ASSISTANT PROFESSOR
DEPARTMENT OF BOTANY
TAKI GOVERNMENT COLLEGE, TAKI

Date: 29.05.2024
Time: 12:30 PM
Venue: Room No. 19

Organized by
The Department of Botany
Dr. A.P.J. Abdul Kalam Government College

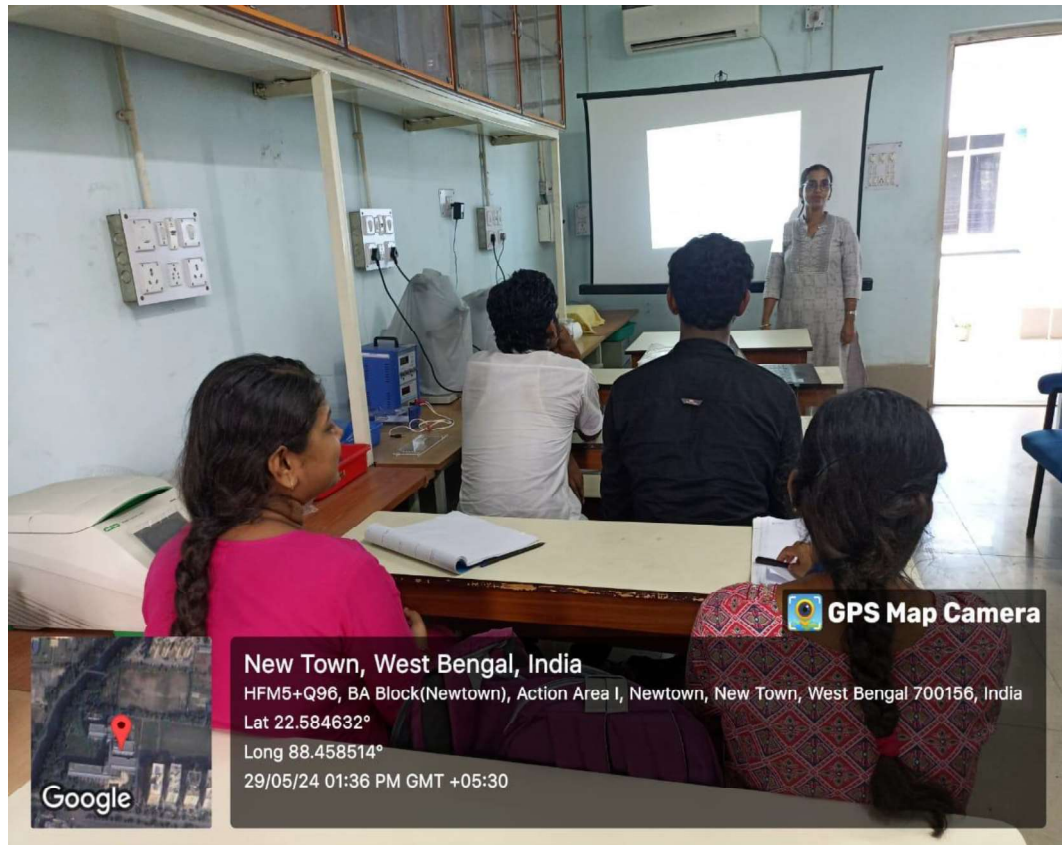

Report on the 1st Janaki Ammal Lecture Series 2024

The first lecture of the annual Janaki Ammal Lecture Series, initiated in 2022 to honor the legacy of the renowned botanist and cytologist Dr. Janaki Ammal, was successfully conducted on May 29, 2024, at 12:30 PM in Room No. 19. This year's inaugural lecture was delivered by Dr. Debapriya Rajlakshmi Das, Assistant Professor in the Department of Botany at Taki Government College, Taki.

The theme of the lecture was "Mechanism of Signal Transduction." Dr. Das, a distinguished expert in the field, provided a comprehensive overview of the intricate cellular processes involved in signal transduction. She delved into the various stages of signal reception, transduction, and response, highlighting the key molecular players and their interactions.

The lecture was well-received by all Botany Honors students who attended. The engaging presentation style and lucid explanations made the complex topic accessible to the audience. Dr. Das's expertise and passion for the subject were evident, fostering a deeper understanding of signal transduction pathways among the students.

Sub: Permission for Lecture series

Madam,

This is for your kind information that we are interested to invite Dr. Debopriya Rajlakshmi Das, Assistant Professor, Department of Botany, Taki Government College to deliver an invited lecture in the Janaki Ammal Lecture Series of our department on 29.05.2024 as a part of exchange program under MoU between the two colleges. We will be highly obliged if you kindly grant the permission for organizing the same.

Thanking you

Yours sincerely,

(Dr. Mala Neogy)
